LAFAYETTE
CHAMBER OF COMMERCE

WELCOME TO LAFAYETTE!

While some people might still consider Lafayette a sleepy little town, those of us who live and work here know better. It's a unique, beautiful and vibrant little corner of the world, characterized by a blossoming downtown, terrific schools and a sophisticated yet rural atmosphere.

What really sets Lafayette apart is its true sense of community, evident just about everywhere you turn.

Area schools rank among the best in the state, partially because of significant volunteerism by parents who know that being involved matters. You also see volunteers out on the field coaching, planning blood drives, improving parks, building sets at the community theater or running for charity. Volunteers are also the backbone of our city government, as elected and appointed leaders give hundreds and hundreds of hours dedicated to improving our community.

The city's downtown area is alive with energy as new restaurants, retail shopping projects and thriving businesses turn what was once primarily strip development into a truly attractive destination to shop, dine and relax. Lafayette used to roll up the carpet and go to sleep at the end of the day, but an exciting mix of fine restaurants now serve everything from steaks and seafood to Thai, Chinese, Mexican and Indian cuisine. With many eating establishments located within walking distance of each other, it's now common to see people strolling downtown in the evening, pleasantly nodding to neighbors as they pass on the street.

Live theater, art galleries, musical programs and a five-star hotel and spa also grace the downtown area.

Perhaps Lafayette's community spirit is best exemplified by the effort to build a new Lafayette Library and Learning Center. When built, the center will be in the heart of Lafayette, but the development could actually become the heart of Lafayette - a place where young families, retirees, empty-nesters, college students and professionals all come together around a program of lifelong learning.

This ***Business and Community Directory*** serves as a resource for learning a little bit about Lafayette its local businesses and services, demographics, history, organizations and activities. We hope you'll use it as a springboard for exploring all that Lafayette has to offer!

COMMUNITY EVENTS

LAFAYETTE ART & WINE FESTIVAL

The Lafayette Art & Wine Festival, held each year on the third weekend in September, is the largest event in Lamorinda and one of the five biggest outdoor festivals in Contra Costa County. Nearly 75,000 attended in 2004, strolling among stalls of art, handmade crafts, sampling foods from top local restaurants, and enjoying quality wines and microbrews. Non-stop musical entertainment on three stages throughout the weekend helps spark the block party ambiance. Among the most popular features throughout the weekend are the Chef's Stage, highlighted by cooking demonstrations by some of the area's best chefs and the "Premium Wine Pavilion" offering tastes of some of the world's finest wines.

LAFAYETTE RESERVOIR RUN

The Lafayette Reservoir Run is the city's most popular "family affair", involving kids, parents, grandparents, and hundreds of serious runners from throughout the Bay Area. 1500-2000 participants compete in a 10k, 5k or 2 mile race through the heart of the downtown, around the reservoir and back. Sprinters, walkers, the "stroller brigade" and many of Lafayette's top four legged residents share the streets on that festive Sunday morning.

The Chamber of Commerce and the City of Lafayette are co-sponsors of the Run which is traditionally held on the last Sunday in October. Beneficiaries of the event are the local schools and the services and programs of the Chamber.

A TASTE OF LAFAYETTE

A Taste of Lafayette which debuted in 2003 offers a tour of many of the City's finest dining establishments with an opportunity to sample the signature cuisine of each restaurant. The evening begins at Margaret and Elam Brown Plaza with wine and hors d'oeuvres. From there, ticket holders go at their own pace to any - or all - of the participating restaurants. The evening wraps up back at the Plaza with dessert and coffee, more music, raffles, and an auction. Proceeds from the event are shared with the Lafayette Community Foundation.

LAFAYETTE CHAMBER OF COMMERCE

The Lafayette Chamber of Commerce has grown considerably over the years, but its mission remains the same as when it was launched in 1947:

> ***"To promote and maintain a healthy business climate and to preserve and enhance the quality of life in Lafayette."***

The mission is still relevant more than half a century later because it recognizes that businesses flourish as part of a larger community that must also be maintained and nurtured. Representing more than 500 businesses and professionals in Lafayette and beyond, the Chamber:

· **Provides opportunities for networking and referral**, including monthly mixers, leads groups, membership luncheons, "Business Building Breakfast Forums", and events such as the "Business Person of the Year" dinner and "Citizen of the Year" dinner, co-sponsored with the Contra Costa Sun.

· **Hosts opportunities for business promotion**, including ribbon cuttings, the business-to-business showcase, the Chamber newsletter, directory, and cooperative advertising campaigns.

· **Serves as an advocate for the business community**, representing business issues and perspectives in public forums, including the Lafayette City Council and city commissions.

· **Sponsors and supports community events**, including the Lafayette Art & Wine Festival and the Lafayette Reservoir Run which is co-sponsored with the City of Lafayette, bringing thousands of visitors to the city, benefiting businesses, community organizations and residents.

· **Offers educational opportunities** such as "Tech Tuesday" and speakers on an array of topics relevant to the business community.

The Lafayette Chamber of Commerce has been instrumental in helping create the vibrant downtown district that boasts a huge variety of shops, restaurants, entertainment venues and specialty stores. It is managed by an elected Board of Directors, countless volunteer members, and a staff of three.

LAFAYETTE HISTORY

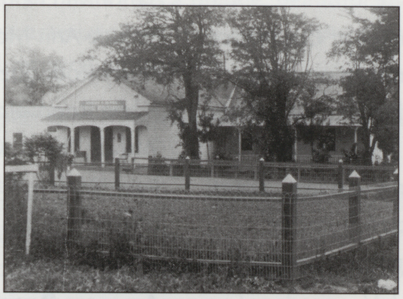
Brown's Mill, Brown's Corners, Centerville, La Fayette - our community has had many names. It was officially granted the name Lafayette in 1855 when Benjamin Shreve, the town's first school teacher, applied for a post office for the village.

Located on land that once encompassed an entire Mexican land grant (Acalanes Rancho) and portions of four others, Lafayette was first settled in 1848. While the original land grant was made in 1834 to Candelario Valencia, the town founder was the third Rancho owner, Elam Brown. He bought the one square league Rancho for $900.

As the hamlet straddled the road that led from the Moraga Redwoods to the lumber shipping point at Martinez, early Lafayette became a stop-over spot for wagon drivers. When Brown established a grist mill in 1853, the center of the farming village moved toward the present Mt. Diablo-Moraga Road intersection.

Lafayette remained a quiet farming village until the post-World War II building boom turned cornfields into housing developments.

The City marked the 150th anniversary of the arrival of the Yankee settlers in 1998. Throughout the year-long Sesquicentennial celebration, several new monuments to our history were dedicated. These sites included the spot on Happy Valley Road where founder Elam Brown and his family built their first home; the site of the Pony Express Station which served from 1860-1861, located near the present intersection of Mt. Diablo and Moraga Road; and the homestead of Jennie Bickerstaff, the community's first teacher, in the Diablo Foods parking lot today.



McNeil Store (later the Pioneer Store). The building, located at 3535 Plaza Way, is Lafayette's oldest remaining structure, built circa 1864 by Benjamin Shreve. Dedicated as a State Point of Historical Interest in 1970.

SHOP LAFAYETTE!

With its tree-lined streets, small town atmosphere, and wide variety of shops, restaurants and specialty stores, shopping in Lafayette is just plain old fun!

But shopping locally also means you are supporting local businesses as well as the larger community. Nearly one third of the city's budget comes from sales taxes collected in Lafayette, and this money is used to fund street repairs, police services, youth and senior services and so much more. On a dollar basis, this means that approximately 12 percent of every single dollar spent with local businesses ends up staying in the community.

"Shop Lafayette," a campaign spearheaded by the Lafayette Chamber of Commerce, also helps support what has become a thriving and attractive central business district. New restaurants and retail establishments have joined long-time successful businesses in offering unparalleled, yet competitive, dining and shopping experiences. Whether you're hunting for a new coat, looking for a gift for someone special, need a haircut, desire a one-of-a-kind painting, or want to book a romantic dinner for two, look first in Lafayette - there's undoubtedly a business that can fill the bill!

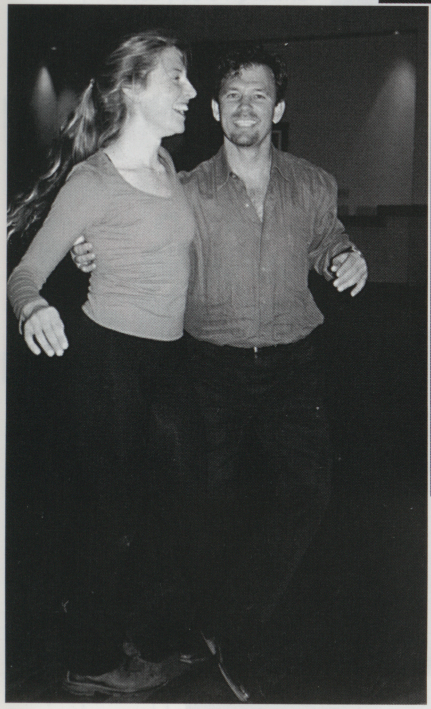
If you haven't experienced the Lafayette Community Center, you're missing quite a treat! Nestled in beautiful Burton Valley, the Center has become many things to many people. It's a place where parents can enroll toddlers in safe, loving activities; where teens can sign up for exciting trips and attend drug/alcohol free events; where adults can choose the fitness program that suits them best; where people paint, train their dogs, sculpt, stretch, play guitar, dance, jazzercise, and have their chi strengthened. Lafayette Community Center customers wear sweats, tu-tus, T-shirts, cowboy boots, rollerblades and big smiles!



Call the Community Center at 284-2232 and request an activity brochure or, better yet, drop in for a visit any Monday through Friday between 9:00 am and 5:00 pm. We look forward to showing off our wonderful Center located at 500 St. Mary's Road, Lafayette.

THE ARTS ...ALIVE & WELL IN LAFAYETTE

Theater, music, art and literary events ....all contribute to the vibrant cultural landscape that exists in Lafayette today.

LAFAYETTE TOWN HALL

The historic Lafayette Town Hall which opened in 1914 hosts several of the performing arts groups that add brilliance to the local arts scene:

- The Town Hall Theatre Company of Lafayette
- Town Hall Kids
- Gold Coast Chamber Players
- Lafayette Jazz Festival (Generations in Jazz)

Town Hall Theatre Company

Established in 1944 as The Dramateurs and reorganized in 1992 as The Town Hall Theatre Company of Lafayette, it is the oldest continuously active live theater in Contra Costa County. Over the years the group has earned more than its share of "Shellie Awards", the County's equivalent of Oscars, for productions as varied as *M. Butterfly*, *Little Shop of Horrors* and *The Bible: The Complete Word of God (abridged)*. Each season brings six new productions to the friendly and intimate environs of Town Hall.

Gold Coast Chamber Players

Critics agree: the Gold Coast Chamber Players are a GEM! Lafayette is home to this world renowned music ensemble which brings stellar concerts to the Town Hall Theatre.

Since it's inception in 1987, the Gold Coast Chamber Players, has become synonymous with the Bay Area's best in classical music. Performers, drawn from such distinguished groups as the San Francisco Opera and Symphony orchestras, Los Angeles Philharmonic and some of Europe's finest ensembles, create performances with diverse and dynamic programming. They present an eclectic musical feast in a friendly, intimate setting, and foster the next generation of audiences and performers with their student mentor-ing program and frequent concerts in area schools.

The Gold Coast Chamber Players bring to our city sublime chamber music in an intimate concert hall. Their superb playing in an acoustically excellent space provides a rare listening experience. For tickets call Town Hall Box Office (925) 283-1557 ~ Information: (925) 283-3728

Town Hall Kids

The Town Hall Kids program introduces children ages 7-16 to the magic of musical theater. The young participants delight in the zany plots of musicals written by Barrett Lindsay-Steiner and directed by the talented Cynthia Myers, both well known professionals within the Bay Area theatrical world. Town Hall Kids is a fun theater program created "to develop children's self esteem, confidence, leadership and team-building skills."

Lafayette Jazz Festival

This weeklong community festival features “students and stars” from the local middle and high school music programs playing alongside some of the best jazz musicians in the country.. Professionals who have appeared in past sold-out performances include Hall of Fame Jazz singer Countess Felder, Tower of Power’s Mic Gillete and a Dave Brubeck group.

Lafayette
Generations in Jazz
JAZZ Festival

Produced by the Generations in Jazz Foundation, the Festival is one of many activities organized by this group. Others include the Jazz in the Park concerts held each week during the month of September, the Lafayette Summer Music Workshop, and Jazz Outreach, a program designed to aid under-funded schools with resources, information and opportunities in jazz music.

Philharmonia Baroque Orchestra

San Francisco-based Philharmonia Baroque Orchestra, chosen as Musical America's 2004 Ensemble of the Year, has been dedicated to historically-informed performance of Baroque, Classical and early-Romantic music on original instruments since its inception in 1981. Under the leadership of Music Director Nicholas McGegan, Philharmonia has become "an ensemble for early music as fine as any in the world today," according to Los Angeles Times critic Alan Rich. The Orchestra performs a subscrition series in the Bay Area, tours both within the US and internationally, and regularly collaborates with celebrated artists such as William Christie, Jordi Savall, Trevor Pinnock, Emma Kirkby, Lorraine Hunt-Leiberson and Mark Morris.

THE VISUAL ARTS

The appreciation of fine arts in Lafayette is evident everywhere - in prestigious galleries such as the Barclay Simpson or Witherspoon; in one of the many shops committed to helping residents best display - or add to - their treasured collections including The Print Gallery/P & L Framing, Keenan Heinz or Fastframe; or in one of the many businesses in town that hang the impressive work of local artists.

Lafayette Gallery & The Art Room

The passion for art is clearly evident at the Lafayette Gallery. Opened in 1999, the Gallery is a cooperative of local artists with new exhibits mounted every eight weeks. Collaboration with The Gold Coast Chamber Players has resulted in striking new work developed to complement the musical group’s performances throughout the year. The members’ work can also be seen in a special “Local Artists” section of the annual Lafayette Art & Wine Festival held each year in September.

Lafayette Gallery is housed with The Art Room, a private art school and studio offering a variety of art classes for children, teens and adults.

LITERARY EVENTS

Voted the Best Independent Book Store in the East Bay by readers of *Diablo Magazine*, Lafayette Book Store hosts a multitude of literary events throughout the year. Authors such as Michael Chabon, Gail Tsukiyama, and James Patterson have appeared either at the store or another local site. In addition, Literary Luncheons are held at restaurants throughout the year to give book fans an opportunity to meet and talk with famous writers. More than 160 book clubs are registered with Lafayette Book Store, attesting to the voracious reading appetites of Lafayette residents.

Opportunities for “bookish” events will expand when the new Lafayette Library, now in design stage, is completed within the next few years. The library will be built on a new site at the corner of Mt. Diablo Blvd. and First Street.

With so many existing cultural activities already established in and supported by the community, Lafayette is attracting new artists and organizations who want to establish a presence in this dynamic and hospitable environment.

Welcome to the Lafayette School District. A kindergarten through eighth grade district, the system includes about 3200 students in four elementary (K-5) schools and one middle (6-8) school.

The District offers a full range of services based on the needs of the students, yet the basic instructional day centers around the core subjects: Reading, Language Arts and Mathematics. As a result, the students continually score among the highest of all California students. Most will be college-bound after attending either Acalanes or Campolindo High Schools.

The overall success in the district is attributed to a strong, ongoing "Partnership in Education" relationship which exists among students, parents, faculty and community.

Persons who will have children attending one or more of the Lafayette schools should notify the district as soon as possible to help insure that their children's academic needs will be properly met.

The Acalanes Union High School District is comprised of four comprehensive high schools serving the communities of Lafayette, Orinda, Moraga and Walnut Creek. The two high schools that serve the neighborhoods of Lafayette are Acalanes High School, 1212 Pleasant Hill Rd., Lafayette, and Campolindo High School, 200 Moraga Rd., Moraga. All of the schools of the district rank in the top 5% of high schools in California in terms of academic and extra-curricular offerings. The schools pride themselves on the quality of their educational programs that provide a solid foundation for the students in their communities. This is evidenced by the fact that over 90% of our students attend college after graduating.

To keep pace with a growing population and a growing demand for a high quality educational experience, the schools have engaged in an aggressive building and remodeling campaign and an upgrade in standards for benchmarks in the curriculum. Following successful bond measure elections in recent years, the schools now enjoy new classroom buildings, upgraded buildings, remodeled swimming pools and a new aquatic center, upgraded sports fields, and new theater and fine arts facilities. The district has also invested heavily in wiring the schools for modern technology and in providing computers and instruction in he application of technology.

The district is in the midst of implementing the California State Standards in the content areas and aggressively addressing the need for comprehensive and positive assessment procedures and data for students, parents and teachers. Advanced Placement courses have been added on a consistent basis over the past years, and the District now offers a complete and wide selection of advanced courses for the needs of the students.

The District is aware of the need to offer a broad range of opportunities for the students. Therefore, there are existing and emerging courses and pathways in career-oriented interests, such as automotive technology, CAD drafting and engineering, and other technical areas. The schools also offer a full range of sports teams and clubs and activities to engage student interests. Over 60% of the student body joins athletic teams.

The schools of the District are superior educational institutions by every measure. A large part of the success is due to the fact they enjoy superior support from the community - from parents, clubs, boosters, foundations, organizations and local businesses. The communities value the schools as an integral part of the quality of life in the Lafayette area.

LAFAYETTE ARTS AND SCIENCE FOUNDATION (LASF)

Formed in 1980, the Lafayette Arts and Science Foundation is a non-profit educational foundation whose mission is to support and enrich the education of every child in Lafayette's public schools. The organization's current budget is in excess of $750,000.

Through a community based effort, LASF is able to provide each school in Lafayette with hundreds of hours of top-quality academic enrichment programs and teacher training, primarily in areas of choral and instrument music, visual and performing arts, science, social studies, the humanities, mathematics and computer technology.

LASF unites the community in a goal of excellence for Lafayette's children. For more information, please write to LASF, P.O. Box 923, Lafayette, CA 94549. You may also call (925) 943-6559, or check the Web site at www.lasf.org.

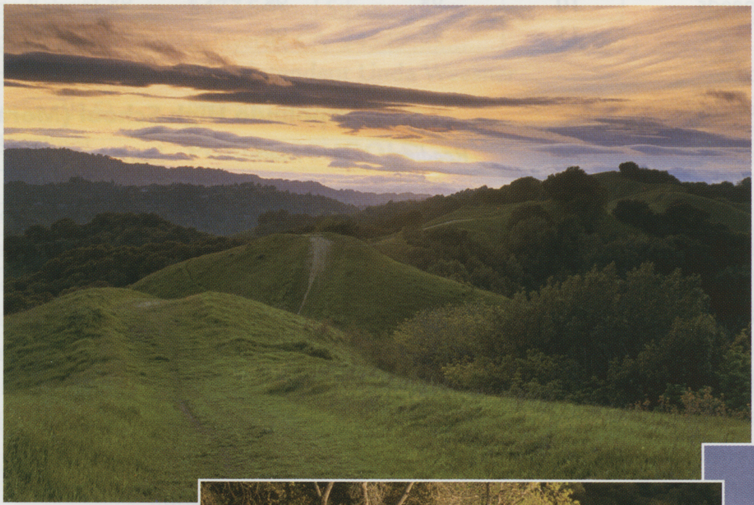
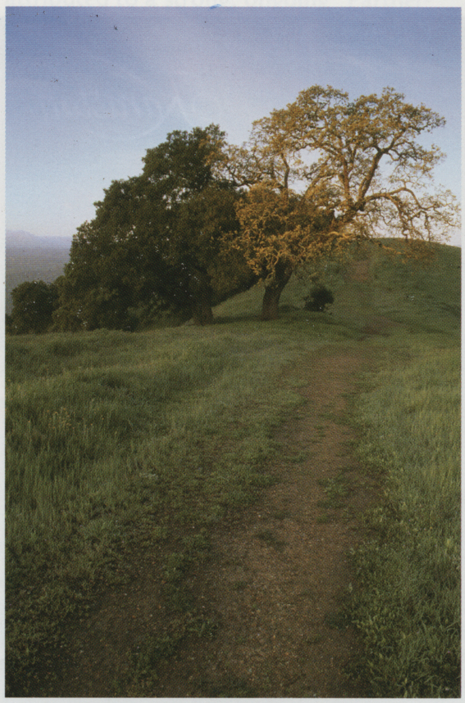
LAFAYETTE RESERVOIR & RECREATION AREA

Located off Mt. Diablo Boulevard on the west end of Lafayette, the Lafayette Reservoir was completed in 1933 to be used as a standby supply of drinking water for East Bay Municipal Utility District (EBMUD) customers. The 925 acre site with a 1.4 billion gallon reservoir was opened to public recreation in 1966. Besides being used as an auxiliary water supply, the reservoir is a recreational area for hiking, fishing, boating and picnicking.





The recreation area is open year-round during daylight hours. Opening and closing times are posted at the gate.

There is a daily parking fee for cars or a yearly permit may be purchased instead.

Fishing is $3.00 per day at the reservoir and the usual state license requirements and bait restrictions apply.

EBMUD and the State Department of Fish and Game plants many thousand catchable trout each year. The reservoir also contains bluegill, black bass, black crappie and several kinds of catfish.

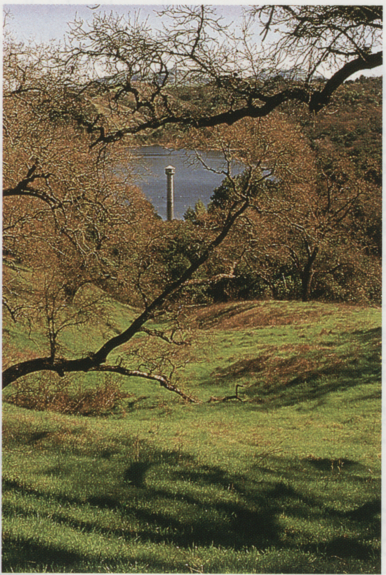
Privately owned rowboats, canoes, kayaks and sailboats are allowed at the reservoir. There is a fee for boat registration. In addition, there are rowboats and pedal boats for rent at the visitor center on an hourly, half-day or all-day basis. No trailers are allowed.

Surrounding the Lafayette Reservoir are 135 picnic tables and barbecues to accommodate families and small groups. Most picnic areas are located near the dam; others are scattered around the reservoir and are accessible by boat or on foot.

Open fires and barbecues outside of developed areas are not allowed.

Two areas are set aside for groups, one for up to 50 with prior reservations.



3 PHOTOS – GARY ALBRIGHT / DESIGN FOR ADVERTISING

The other area can accommodate up to 250 people. There is a prepaid reservation fee required. The reservation fee will be refunded if 30 days' advance notice of cancellation is received.

There is a $5.00 per vehicle entrance fee for parking; meter parking is 50 cents per half hour (maximum two hours). Annual card is $85; $42.50 for seniors.

Call (925) 284-9669 for further information.
